C of C Dinner Huge Success

The 11th Annual Chamber of Commerce dinner-dance was held on the evening of Oct. 28th at the Shoppington Hotel as many of you know.

Some of you who were there may still be basking in the after glow, for it really came off as an altogether informative, enjoyable and entertaining evening.

Much help was needed to pull off this pleasant affair. Most of the credit goes to Chamber members who gave generously of their time and talents. Grayling area merchants, both members and non-members donated door prizes of every variety.

Warning

Inactive Duty Training will be conducted by units of the Marine Corps Reserve during the period 6-7 November 1976. The various ranges located at Camp Grayling will be utilized during this period.

The Air to Ground Range located on the Artillery Range, which is north of County Road 612 and east of Guthrie Lake, will be utilized during the period 3 thru 14 November 1976.

These ranges will be closed during the above dates and all persons are warned to stay out of these areas.

Close out season at Cheboygan Friday

Vikings Slip by Ramblers, 14-6

By Jeff Schrader
Avalanche Sports Writer

Having Mike Money in the backfield is just like having cash in the bank! Money scored both Viking Touchdowns Friday night as Grayling swept to a 14-6 victory over Boyne City, upping their conference record to 2-3. Grayling travels to Cheboygan on Friday to close out this year's conference slate and football season.

The Vikings kicked off to Boyne City who began to move the ball upfield. A staunch Grayling defense, however, forced a Rambler

Consumers Power Co. To Refund \$30 Million

JACKSON, November 1—Consumers Power Company announced today it will begin making refunds totaling approximately \$30 million to customers who received elec-

tric or natural gas service from the utility during 1970 and 1971.

The company said it will begin sending refund checks to 985,000 customers who

live at the same address they did during the two-year period. The checks should amount to between \$10 and \$15 for the average residential customer who received both gas and electric service from the utility during the entire two-year period.

The refunds stem from a Michigan court decision that followed the company's appeal of a rate order issued by the state Public Service Commission in 1969.

A spokesman for the utility said that residential, commercial and industrial energy users who are listed in the company's records for 1970 and 1971 are eligible for a refund.

The spokesman suggested that customers or former customers who do not receive a refund check by November 8 should write to Consumers Power Company, Drawer D, Jackson, Michigan 49204, to request a refund application form. Refund applications may also be picked up at any company office.

The refund checks will include the amount determined by the court to have been overpaid, together with interest and any sales tax paid on the overpayment.

Consumers Power is attempting to notify eligible former customers in the state through mass mailing of a brochure explaining the refund, newspaper, radio and T.V. advertisements, and other means.

The company is also attempting to notify eligible former customers now living in other states of the refunds through advertisements and press releases, the spokesman said. In cases where customers in 1970 and 1971

Frederic Buck Contest

Come one, come all! Join this year's Frederic Buck Contest sponsored by the Frederic Business Association.

The contest opens November 15th at 8:00 a.m. and closes November 21st at 7:00 p.m.

Entrants must be pre-registered and have purchased an official key chain to be eligible for the prizes. Key chains are available from any Frederic Business Establishment for \$1.00 each.

Prizes will be awarded to the winners in the following categories:

Buck with largest rack \$50.00
Buck with the 2nd largest rack \$25.00
Youngest Hunter with first buck in \$25.00
(Must be 17 years of age or under)

Special Lucky Number drawing for \$25.00

The official checking station this year will be Timberview Motel, 2 miles south of Frederic on Old US-27. Free coffee and donuts. Winners announced at 7 p.m., November 21st.

Grayling's Annual Redcoat Roundup, Nov. 13, 14, 15

Fresh snow sugars the land ... that clean, cold sharp nip is in the air ... Soon our bronze and mahogany forests will be speckled with scarlet clad hunters eager to obtain venison for the family larder this winter. Our Crawford County deer herds have always lured folk from near and far. This year will be no exception.

The 11th annual Redcoat Roundup will be held November 13, 14 and 15th at the City Park. This event is sponsored by the Grayling Regional Chamber of Commerce. The familiar \$1.00 red and white buttons for participants are now at the Chamber office and will soon be available at various area businesses. Don Meloche, local hunting and fishing guide has been distributing the red and white posters all over town, Chamber Manager Dorothy Stockbridge stated.

Gift certificates from local merchants will be awarded in six different categories. First woman hunter to bag a buck, heaviest deer, first bucks in and so forth. Watch for our van downtown that weekend.

We welcome all of you to enjoy the great Northern Michigan out of doors as in years past. Last year's earliest winner was from Port Huron.

Successful hunters display their bucks on the community buck pole, located beneath the water tower in Grayling's City Park. Registration for prizes and rules are simple; hunters must obtain a 1976 Redcoat Roundup button, register their name and address with officials, and shoot the buck in Crawford County. You'll hear a lot of bragging and a lot of moaning around the buck pole.

Come say hello and have a cup of coffee with us here in Grayling this November.

Jay Doty Receives Kiwanis Flowers to the Living Award—On Monday night, November 1st, the Kiwanians and their wives held their annual Flowers to the Living program with a dinner party at the Grayling House, in which they honored a Kiwanian who is active not only in Kiwanis but also the community.

Jay Doty is an ordained minister in the Reorganized Church of Jesus Christ of the Latter Day Saints, is Past President of the Central Michigan District of that church, and is presently the District President of the Northern Michigan Order of Patriarch.

Both Jay and his wife Ann are very active in their church camp program, and Jay has taken special courses through the American Camping Association that certify him as Camp Health Director, instructor in small craft and sailing, and crafts.

Jay is also active in the Retired Senior Volunteer Program, being a member of the RSPV Council, and for four years has delivered meals for the Senior Lunch program, and is a driver to take senior citizens shopping.

At the dinner to honor Jay were his wife Ann, son Ken, son Doyle and wife Jessie, daughter Betty and husband John Isenhauer, daughter Lee Grost, sisters Maxine Hall and Ella Wiley with their husbands Clayton Hall and John Wiley, grand-daughter Linda Grost, and very close friends and co-workers in the church, Norval and Tressa Stephan.

Art Clough gave a history of the Flowers to the Living program, and Don Jansen made the presentation of the flowers and a special plaque to commemorate the event. During the dinner the High School Choral group, under the direction of Jan Olson, presented several numbers.

Red Cross Blood Bank Monday, November 8th At The High School

The Red Cross Bloodmobile will be at Grayling High School next Monday from 9 a.m. to 3 p.m.

Although the Bank is primarily a High School Project and will be manned by Student Volunteers instead of our regular Red Cross Volunteers, the bank is open to all the Good Neighbors of the community, and we urge everyone who can to come and give a pint of their blood.

This will be the sixth Red Cross Blood Bank held by the students and they are working hard to have it be the biggest yet. The previous record of 147 donors was set in May of this year.

Kent and Haas, Hunter, Kraus County Winners

Harland and Mattis Named to Board of Commissioners

Despite intermittent rain throughout the day, voters in Crawford County turned out in record numbers to cast their ballot in the national presidential election in which Jimmy Carter upset President Gerald Ford for the top seat in the land.

On the local level, following are the results with Beaver Creek and Lovells Townships still to come in when we had to go to press:

Tom Kent fought off the sticker campaign of John Huss as he held an 1832 to 871 margin for Prosecuting Attorney.

Curt Haas, Democratic candidate was ahead of incumbent Sheriff Harold Hatfield, 2043 to 1574.

Lawrence "Bud" Hunter fought off the challenge of Republican Glenn Sawyer for Register of Deeds as he held a margin of 1971 to 1507.

For Judge of Probate, incumbent Judge Emil Kraus held a 1977 to 1249 count over challenger Dave Sabin.

In the race for District 3 on the Board of Commissioners, Mary Elaine Harland (R) defeated Doug Antcliff (D) 333 to 203 to replace Joseph LaGrow who did not seek reelection.

In District 2, incumbent Patrick Harwood was defeated by Democratic challenger, Larry Mattis, 425 to 398, on the Board of Commissioners.

For Supervisor of Frederic Township, Harold Mertes, sticker candidate defeated Chester Orlowski, 241 to 196.

County voters gave a big edge to the county proposal for a fixed millage with a margin of 1450 yes to 1134 no.

Incumbents Philip Ruppe, Representative in Congress, 11th District, and Ralph Ostling, State Representative, 103rd District, were given overwhelming margins over the Democratic opponents, Ruppe with 1831 to 1157 over Francis Brouillet, and Ostling, 1949 to 1234 over Dean L. Welch.

The above tallies are unofficial subject to the Board of Canvassers report. Between 75 to 80% of the registered voters turned out.

Pop Concert Rescheduled

The Grayling Middle School Choirs' Pop Concert scheduled for November 1st was postponed due to the illness of the director.

The concert has been rescheduled for Tuesday evening, November 9th at 7:30 p.m. in the Middle School gym.

There is no charge and students and the community are invited to attend an enjoyable hour of entertainment featuring the 7th and 8th grade choirs.

will be given away during the afternoon. Any artist or craftsman in the area is cordially invited to participate in this Sunday's Grayling event, whether professional or hobbyist. Those wishing to sell their wares may do so also. Participants are encouraged to bring their raw materials and practice their art throughout the afternoon. Those wishing to exhibit in the Arts and Crafts Show and Sale should contact the Grayling Community School Office at 348-7641 before 5:00 p.m. Friday, November 5.

The Grayling Community School Director Howard Taylor announced earlier this week that several participants have already registered for the show, including oil painters, china painters, a metal sculpture, ceramics and possibly a glass blower. All residents and visitors of the Northern Michigan area are invited to attend Sunday's Arts and Crafts Show and Sale at the Grayling High School. Taylor also suggested that, "the show would provide an excellent opportunity for people to get their Christmas shopping done early as well as being able to purchase unique and one-of-a-kind gifts." Show goers will also have the opportunity to watch artists and craftsmen as they create their individual works of art.

CARD OF THANKS

I just want to thank the Dr's. and staff at Mercy Hospital for their excellent care while I was there, also, my dear friends who visited me and sent cards. It was very much appreciated.

From Our Corner...

Tonight has to be one of our worst experiences in trying to fill our portion of your favorite newspaper, or possibly we should say one of your favorites — at least this far you are right along with us, but, if you are as confused as we are, you are lucky, you can toss us aside and forget it.

We can't quite comprehend whether it is the fact that the trauma of the election is over — or the fact that we were able to spend the weekend with one of our favorites — namely T.J.

Tonight (Monday) as we put our corner together, we sit back and think about the number of individuals throughout the country whose future will be effected on the outcome of what happened in one day.

Competition has always stimulated an individual to produce — at least more than complacency does.

Possibly, as you read this, those who are in the winning circle today — will remember the challenge they had yesterday.

† † †

An Idle Thought — By the looks of the store windows as we came into town Sunday night ... Devil's night was an evident success — our thought — fun was had without any major damage.

† † †

If you have stayed this far, you all know the big boss and little old me were in Traverse City over the "Tricks or Treat" weekend ... and while there we experienced a first in the "T or T" of Halloween.

To set the stage ... Traverse City's hierarchy had decided that Halloween night for all the little ghosts and goblins would be Saturday night (for safety's sake?) No matter — it rained cats & dogs, and if you wish, a few goblins ...

Back to our first experience — as we were finishing dinner, a knock came to the door. Toni answered, the man at the door asked if there were any children living here ... I have so much candy I'm afraid with the rain I'll not be able to get rid of it. Unbelievable.

† † †

Now with the ghosts of the election and Halloween departed, possibly we will be able to get back to the normal way of life ... and hopefully the promises made were not made through a white sheet.

† † †

A Fun Thought — The Chamber dinner-dance at the Hotel last Thursday night was one of the finest we have attended in many years, and our critic eye of the entertainment by the young talented dance troupe from Lansing, signals a "Tip of the Hat" for a performance well done.

The Bible Speaks

From Calvary Baptist Church

SINS OF WORD

Last week we studied how Jesus told us that all sins originate within the heart. Matthew 15:19,20. Jesus has also told us that these sins of thought are often made manifest by what we say. "For generation of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh. A good man out of the good treasure of the heart bringeth forth good things: and an evil man out of the evil treasure bringeth forth evil things." Matthew 12:34,35.

The Bible makes it plain that we can sin with our mouth. "For the sin of their mouth and the words of their lips let them even be taken in their pride: and for cursing and lying which they speak." Psalm 59:12. The tongue is likened unto a sword in Psalm 64:3 and a razor in Psalm 52:2. Lips of the ungodly are compared to a burning fire in Proverbs 16:27. Sins of gossip can even destroy the physical health of another person. "The words of a talebearer are as wounds, and they go down into the innermost parts of the belly." Proverbs 18:8. We could certainly conclude that "Death and life are in the power of the tongue." Proverbs 18:21.

When God listed 7 sins which He hates in Proverbs 6:16-19, three out of the 7 are sins of the tongue: "A proud look, a lying tongue, and hands that shed innocent blood. An heart that deviseth wicked imaginations. Mrs. Edgar Caid of Lovells is entertaining the Larkin club this week.

Miss Katie Bates will go to Alma next week for a short course in special art work.

Gamma Phi Delta will meet at the home of Miss Edna McCullough Friday evening.

Mrs. Frances Weinberg, Kraus, of Saginaw, is spending the week at the parental home and among old friends here, who give her generous welcome.

Our citizens are given a genuine surprise this week by the announcement that L. Fournier had sold his drug business to A. M. Lewis & Co. The friends of Frank Phelps, which means all of our people will be glad to know that he will remain in the store with the new firm.

The mill at Lovells continues to run full time but men are scarce.

Editor's Quote Book

We are judged by what we do and not by what we claim to do.

William Feather

"Make sure your car insurance protects you in 'no-fault' states."

"If you're planning on a long trip by car, chances are, you'll be driving through states with 'no-fault' insurance laws.

"If you're covered by an Auto-Owners policy, you can relax. Auto-Owners provides protection automatically under its bodily injury and property damage liability coverage in 'no-fault' states.

"This kind of farsighted protection is just one of the reasons we recommend Auto-Owners Insurance to the people we serve."

Auto-Owners Insurance
is for auto owners, too.

feet that be swift in running to mischief. A false witness that speaketh lies, and he hath soweth discord among brethren."

Sins of word are not only terrible and hated of God, but they shall also be judged someday by God. "But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment. For by thy words thou shalt be justified, and by thy words thou shalt be condemned." Matt 12:36,37. Rebellious men have often ignored this truth, "Who have said, With our tongue will we prevail; our lips are our own: who is lord over us?" Psalm 12:4.

People often ignore sins of the tongue because they do not have a clear view of the holiness of God. The great prophet Isaiah after a vision of the holy God upon His throne wrote: "Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the Lord of hosts." Isaiah 6:5.

Are there any of us who do not sin by what we say to others? "For in many things we offend all. If any man offend not in word, the same is a perfect man, and able also to bridle the whole body." James 3:2. There has only been one perfect man to walk the earth. He died for sin, yours and mine. Have you trusted Him as your God and Savior? (adv.)

New Law Changes Public Intoxication

The Public Act 339 establishes treatment alternatives for those found publicly intoxicated and creates a new role for the criminal justice system with regard to those who abuse alcohol.

The primary emphasis of this new law is to divert alcohol abusers from the criminal justice system and introduce them into the health services setting which is better equipped to provide meaningful assistance.

The Office of Substance Abuse for District #1 and Tri-County Health Departments will be coordinating the effort and implementation of the new law in the seven county area consisting of: Benzie, Crawford, Leelanau, Missaukee, Wexford, Grand Traverse, and Kalkaska Counties.

The Public Act 339 Task Force attended an organizational meeting on October 5th to discuss tentative plans for the implementation of the new law. The meeting was also attended by persons in the fields of law enforcement; transportation; medical - treatment and rehabilitation, along with community members and representation from the news media.

It is the goal of the Task Force and the Substance Abuse Coordinating Agency for District #1 and Tri-County Health Departments to make a major effort to reach as many concerned persons as possible and to inform the general public of the effects of this law.

According to Scott Johnson, Coordinator of the Substance Abuse Coordinating Agency, a regional plan will be drawn up with approved service centers or detoxification centers established and licensed for each county in the seven-county area.

Future organizational meetings will be announced to the public. Law enforcement and transportation officials will be contacted by the coordinating agency in the near future. For further information regarding Public Act 339 contact Scott Johnson in Cadillac - 775-2473.

LOVELLS HOME
EXTENSION GROUP
The Lovells Home Extension Group met at the Woman's Club House on Wednesday, October 14th, with 18 members present. The hostess, Mabel Rooker, and co-hostesses, Sophie Koernke and Feen McCann, served a lovely salad luncheon.

Following the luncheon, the meeting was opened by past chairman, Margaret Cavanaugh. Roll call was - "Would you like to have lived 200 years ago?" The general consensus was that we'd rather be living in this age. At the close of the meeting, slides were shown by Margaret Cavanaugh. The topic was: "200 Years Fashions from American Women".

The mystery package was won by Hazel Koernke. At our November meeting members will bring gifts for the Traverse City State Hospital. Also, items for a silent auction. The meeting will be held at the home of Hazel Koernke on Wednesday, November 10 at 12:30 p.m. If unable to attend, please notify the hostess in advance at 348-9877.

W.D. Wheeler Participates In NATO Exercise

Navy Aviation Electronics Technician Airman Wayne D. Wheeler, son of Herbert W. Wheeler of 406 Maple St., and Mrs. Lois E. Bendig of Route 1, of Grayling, participated in the NATO Exercise "Display Determination" in the Mediterranean Sea.

He is a crewmember aboard the aircraft carrier USS America, deployed with the U.S. Sixth Fleet. His command joined with naval forces from Portugal, Italy, Turkey and the United Kingdom for the combined exercise which included convoy operations, amphibious assault landings and anti-submarine warfare maneuvers.

The primary objective of the exercise was to train NATO naval forces in combined sea operations, to refine NATO procedures and ensure that operational plans were current.

Participating units evaluated increased standardization of doctrines, equipment and armaments among NATO forces, plus command and control procedures for coordinated action by NATO sea, land and air forces.

The convoy operation tested Allied capabilities to reinforce and resupply ground forces in Southern Europe. Acting as opposing forces, NATO units simulated surface, subsurface and air attacks along the convoy's route.

"Display Determination" was one of a series of annual operations, conducted each fall from Norway to Turkey, designed to provide unified and coordinated training of national and NATO forces within the Allied European Command.

A 1972 graduate of Grayling High School, he joined the Navy in November 1974.

District #1 Health Dept.
401 Lake Street
Cadillac, Michigan
October 27, 1976

Dear Editor:

We would like to take this opportunity to thank the hundreds of people who volunteered their time and products to make the mass Swine Flu Immunization Program such a success.

To the American Red Cross who organized the volunteers, our sincerest thank you. A special thanks to Dorthea Obershaw, Chairman; Velma Whaley, Secretary, and Harrison Goodhue, Coordinating Chairman for Grayling.

The firehalls, township halls, V.F.W. halls, churches and schools, all provided excellent facilities for the clinics and we thank all the people who made these sites available.

Our kindest thanks to those people who provided food and coffee to the hundreds of hungry volunteers; Mrs. Bosscher, the Wexford County Gray Ladies, the Country Kitchen in Lake City, and the American Legion #106 in Grayling.

Our vaccine was kept at the correct temperature by refrigerators that were donated by Pell's Radio Center.

Our thanks also to the O'Neils Office Supply Company in Cadillac, for the use of additional office equipment, and to McGuire's for pens and pencils that were used for the program.

The District #1 Health Departments extend its deepest thanks to the physicians who so generously gave of their time to help at the various clinic sites.

The news media was always ready to help at a moments notice and did a splendid job of keeping the community informed about the program. A very special thank you for the coverage of training sessions and clinic site coverage.

Without all the volunteers help, our program could not have been so successful in Crawford, Kalkaska, Missaukee, and Wexford Counties.

Thank you,
The Staff From
District #1 Health Depts.

CARD OF THANKS
Friends of Maple Forest and Frederic, during a time like this, we realize how much our friends really mean to us, your expressions of sympathy will always be remembered.

Potpourri:**How rich is rich?**

While the election-related debris is seeking some place to settle, this might be an appropriate time once more for one of our infrequent strolls, barefoot among the potpourri ...

The rich, whoever they may be, seem to be special targets of politicians, especially during election time. But one observer pointed out recently that the rich, whoever they may be, really comprise a mighty small target.

Robert L. Heilbroner, identified only as "an economist" in the report I saw printed, claims that a \$32,000 family income is enough to fall into the top 5 percent of our population — a so-called upper class which draws a mere 15 percent of the nation's income.

This is significant, but not enough, if redistributed through manipulation of the tax structure, to elevate the incomes of the more numerous lower classes, according to Economist Heilbroner.

A family isn't really rich, he adds, until its income tops \$100,000, and that excludes all but about 200,000 families in America.

"These figures have a certain shock effect," Heilbroner says. "It takes much more money to be rich, and much less money to be upper class, than we think."

Lest we forget ...

And speaking of riches and of taxes in the same breath, one of the more significant contracts in the printing business was awarded recently.

The Webb Co., of Minnesota, will receive \$1,751,270 for printing about 40 million individual 1040A income tax forms, and mail them directly to taxpayers throughout the country. It's the biggest printing job in Webb's history in both dollars and number of pieces printed. I don't wonder.

To print the 40 million 24-page 1040A forms, Webb will use 105 boxcars of paper, which means almost 4 million pounds of paper, plus a quarter-million gallons of ink.

And 1040A is the so-called short form,

too.

Incidentally, the new tax law adds eight entries to the 1040A short form, and five entries to the normal 1040 form. The forms — almost 90 million altogether — will be in the mail early in January.

The gravy ...

Out in San Francisco, a young man has sued the San Francisco school system for \$500,000 claiming the schools didn't do a good enough education job on him which keeps him from qualifying for a skilled profession.

His suit contends he was damaged by the negligence of the schools in providing less than adequate reading and writing instructions, with the result that he has been limited to unskilled labor.

The young man, who is not specifically identified in his suit, after some special tutoring, is now enrolled in college.

The suit does not surprise me, in light of the ongoing interpretation of who's responsible for what in today's society. Nor does it surprise me that two California courts turned down the young man's suit, nor that his attorneys kept pressing even further.

I guess it is not even surprising that the California Supreme court agreed to review the case ... not surprising, but sad. Does the world really owe each of us that much?

From Hod's Hopper

Let's close with some thoughts from old pal Hod Shewell:

— After a few more interviews, Jimmy Carter's home town may have to change its name to ex-Plains.

— Many back yard cookouts turn into beer-b-ques.

— A hot dog tastes much better when there's a football game going on in front of it.

— As a consolation, the losing candidate should be awarded a diplomatic post, in either Beirut or Belfast.

The Halloween Party Saturday night was very well attended and everyone had a nice time.

I would like to remind everyone that is interested, about the district meeting, this coming Saturday night in Reed City. Meet at the Lodge between 4:30 and 5:00. Are we going to keep the plaque?

Alfred Galloway and Bonnie Samuels are still in the hospital.

For any one of our members that are interested, the officers meet every Wednesday evening at 8:00. Any member may sit in on these meetings if they want to, and our regular meetings, as you all know, are the first and third Fridays. Sorry that there isn't anything more to report this time.

To Whom it may concern:

This letter is for the person or persons who hit our dog last Monday evening or early Tuesday morning. Our dog laid in our yard all day and suffered because someone didn't have the common decency to stop and let us know what happened. We could of got him to the Vet if we would have known so he wouldn't have suffered all day. We realize not everyone cares for animals but to let one suffer all day is not necessary. How would you feel if this were you or further more if this were your pet or your child's pet? Stop and think, someday this could be you!

School Activities

Superintendent's Corner

[By Fraser Dean]

On November 17th we plan to launch what we hope will be a successful district wide approach to developing a school operational budget for the 1977-78 school year. The essential difference between prior years budget development and the one coming up will be to reverse the procedure entirely.

In other words, rather than have the administrative staff develop the initial budget for the Board's consideration, our intention is to have a comprehensive citizens group representing all factions or groups within the district develop the initial budget.

We are not aware of this procedure being used anywhere else in the state, but feel that, in light of our past summer's experience, it is essential to the development of a school budget that the community understands, is willing to endorse, and reflects the type and level of educational programs the community is willing to support.

All citizens who reside in the Crawford AuSable School District who have an interest in and would like to participate in the development of the initial budget are invited to attend the organizational meeting to be held in the High School Library on Wednesday, November 17th at 7:30 p.m.

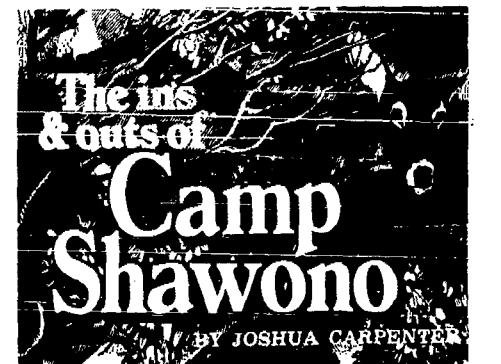

First Graders Visit Taxidermist

On Friday, October 22nd, Mrs. Larson's First Graders were extended an invitation by Kerry Joe Harwood to visit his father's taxidermy shop and learn about his occupation. The children saw and touched many true-to-life specimen of birds, fish, and animals on exhibit in the shop. Mr. Harwood thoroughly explained the art of preserving and mounting the skins and demonstrated the tools he uses in his occupation. We wish to thank Mr. and Mrs. Harwood for the time they spent with us.

Frederic Elementary News

The Frederic sixth grade class has completed their unit on "Ancient Egypt." Projects pictured above include pyramids, chamber rooms, ziggurats and scrolls.

C.A.A.C. Meeting held at Camp Shawnee on October 12, 1976.

Present: Sister Chrystostom, Tom Hazen, Laureen Shively, Calvin Knowles, Julia Kroll, Mike, William, Rudy, Bill and Mike from the Camp Council. Visitors included Mary Cecil, Pastor Dawson and Pastor Smith.

Mr. Hazen presented the statistics for the month of September 1976. 7 truancies, 17 home visits, 10 new admissions, 6 releases, 3 transfers, 2 discharges, average length of stay 6.4 months, 2 truants at large.

A report on the G.E.D. program showed 3 boys completed the test in September with a large number taking several parts of the test so far.

Mr. Knowles took charge of the meeting in the absence of the Chairperson, Cathy Kraus, and welcomed the visitors and explained the purpose of the C.A.A.C.

The t-shirts have arrived to be given to the boys at the awards dinner so the dinner was set for October 24, 1976. The usual letters will go out to the parents, volunteers, CAA members, etc.

Mr. Hazen was asked how the Fast Food Service cooking course was progressing. He explained the first session was about over and the graduates would be receiving their certificates at the awards dinner.

In a report on the new Service Station Attendant course, it is set up to start very soon. Each boy will have 48 hours of classroom before going to the garage for a minimum of 10 hours. He will work 5 hours a day, taking his lunch, and will be paid \$1.00 an hour from the garage, plus the regular amount from the camp and be graded the same as he would on a regular camp crew.

Mr. Hazen reported that a new staff member had not been hired yet, but there were more interviews coming up and he hoped to have the vacancy on the staff filled very shortly.

Mr. Hazen was asked to provide a typical weekly schedule for the boys to the CAA members.

Mrs. Kroll reported that the volunteer program on the GED program was going along very smoothly and less boys are failing the GED test now that they are going in for individual tests rather than doing all 5 tests at once. This seems to give the boys a more secure feeling and with less failure gives a success feeling to the boys, which is very important to them.

The boys on the camp council discussed some of their problems of being on the camp council, with ensuing responsibility and problems with boys who will not listen to their authority, etc. They vented some of their feelings on camp activities and a discussion was held regarding the recreational facilities, etc. The ball field had recently been seeded and was not in use until spring and this was one of the favorite sports in camp. Weekends seem to hang heavy for the boys activity-wise. Mr. Hazen explained that there had been some difficulties with campers partly because of the rapid turnover in new campers and that some of the off-ground privileges had been taken away, but that the boys had now earned them back again.

There was a discussion on decorating the kitchen for the awards dinner and it was decided that the boys would do the decorating, with a display of some of the crafts they have been doing in camp on a table for the visitors to view.

Mrs. Kroll requested that future meetings be held on Wednesdays as the Tuesday night meetings interfered with her GED class that she teaches. Council agreed to go back to Wednesday night.

Rev. Smith raised the question of religious services. The boys from the camp council said they would all attend if someone would come out to the camp and provide them with religious services.

Rev. Smith said he would like to talk to his youth group and see if they would come out occasionally for a religious musical program, which he felt the boys would be most interested in. We will get back with Mr. Hazen on this.

The next meeting will be on Wednesday, November 10, 1976.

City Council Proceedings

Regular meeting of the Grayling City Council held Monday, October 25, 1976, at 7:30 p.m.

The meeting was called to order by Mayor McEvers at 7:30 p.m. Members present: McEvers, Golnick, Thompson, Johnson. Members Absent: Hanson. Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Nelson A. Miles, City Attorney; Jackie Bonkowski, Herald Times; Eugene Poll, Gordon Pond, Ed Lowrie, Crawford County Commission; Mary Harland, Don Sorenson, D.P.W.; Peter Stephan, G.P.D.; Gregory Klein.

Motion by Golnick, supported by McEvers that the minutes of meeting of October 11, 1976 be approved as presented. Ayes: 4, Nays: 0, Absent: 1. Motion carried.

Mr. Gordon Pond appeared to discuss with Council its decision not to remove the curbing in front of his home on Spruce St. He explained where he wanted the curb cut for a driveway, and that he would park between his house and the one to the east, not between the curb and sidewalk as discussed at the last meeting if the curb cut were granted. Council expressed concurrence with this plan. Mr. Morford will work with Mr. Pond to arrange the matter.

Bids were received on the 1967 Ford truck and the 1973 Ford Sedan. Welser - Truck, \$110; Welser - Car, \$150; E. Poll, \$100.

Motion by Golnick, supported by Thompson that the 1967 Truck be sold to E. Poll for \$100.00 and the car to D. Welser for \$150.00. Ayes: 4, Nays: 0, Absent: 1. Motion carried.

Mr. Gregory Klein appeared to answer any questions Council might have about the Cable TV program. Some problems (i.e. 1. Lack of electric service for tower; 2. Some violations in line spacing.) have arisen which have caused Mr. Klein some delay. These need to be resolved. After these problems have been eliminated it would require 2 weeks to finish the cable. His transmission tower should be completed this week.

Mary Harland asked who had responsibility for the wishing well in City Park. Mr. Morford stated that the City was responsible.

Communications were received and noted from:

Michigan Dept. of Treasury re: Audit.

Circuit Judge Carl R. Horn re: Airport. Mr. Miles expanded on the problem and recommended to Council that the expense of the suit should be Crawford County's. Mr. Morford stated that he feels that the City has an obligation to participate, however, to what extent he does not know.

Letter to William Scheer re: Cemetery fence.

AuSable River property owners re: Sand in river and membership. Motion by McEvers, supported by Thompson that City join A.R.P.O. Ayes: 4, Nays: 0, Absent: 1. Motion carried.

MML re: Committee appointments. Mr. Morford has been appointed to the State Public Works Committee.

Sports Car Club of Ann Arbor re: Road Rally for May 1977.

Mr. Frank Nichols of Crawford County Animal Shelter Committee appeared to ask Council about placing an animal shelter at the old City landfill. Council stated that until receipt of a completed program it would be impossible to make a decision. The organization is still in the planning stage.

Mr. Morford presented an estimate on the heating cost on the new Council chamber. He will look for other quotations from other contractors and report back at a later meeting.

Mr. Morford reported the results of the October 18, 1976 D.P.W. Union affiliation election. The employees voted against joining the AFSCME, 2 for, 4 against.

Mr. Morford reported to Council on the status of the Grayling Recreation Authority and the proposed bylaws and name change to Rasmusson Recreation Area.

Change order #2 for the 1976 Street Improvement Program was presented by Mr. Morford. The change order increased the contract by \$75.00 for one additional manhole adjustment. Motion by Golnick, supported by Johnson that 1976 Street Program change order #2 be approved as presented. Ayes: 4, Nays: 0, Absent: 1. Motion carried.

Mr. Morford reported that a replacement is needed on the Zoning Board of Appeals due to recent moving of Richard Lippard. Council directed the City Manager to advertise for a replacement.

Tests have been conducted at Bear Archery on the City water system. The results show that the City has standard water pressure, 50 lbs. plus and volume but that it may not be sufficient for some areas with specialized needs at the Archery plant. The special needs may need to be met by installation of booster pumps or other devices in the plant.

No discussion was held on the Labor negotiations with Local 214. Mr. Morford presented to Council copies of the City's present fringe benefit policies.

A letter from City Assessor Larry Hunter relative to an increase in the assessing contract with Crawford County was received. The increase as proposed would be from \$5,500.00 to \$6,500.00 annually. Mr. Morford noted that this was the first increase in 3 years and seemed reasonable in light of increased labor costs over that period. He recommended approval of the increase and commended the County office for past work. Motion by McEvers, supported by Golnick that the amendment to the assessing contract be approved as requested. Ayes: 4, Nays: 0, Absent: 1. Motion carried.

A request for assistance with sidewalk repair under the City property owner split program has been received from Mr. Moss at 403 Maple St. Motion by McEvers, supported by Thompson that the City participate with Mr. Moss for 40% of the sidewalk repair at a total cost of \$100.00, i.e. \$40.00 City, \$60.00 property owner. Ayes: 4, Nays: 0, Absent: 1. Motion carried.

Motion by McEvers, supported by Thompson that an expense voucher the amount of \$87.00 for Mr. Golnick to attend a finance seminar at Shanty Creek be approved. Ayes: 4, Nays: 0, Absent: 1. Motion carried.

Request from W. A. Porter, Inc. to purchase 3 surplus 10'x6" tapping sleeves has been received. Motion by Thompson, supported by McEvers that the City Manager be authorized to sell the surplus tapping sleeves to W. A. Porter and to place the proceeds in the General Fund. Ayes: 4, Nays: 0, Absent: 1. Motion carried.

Motion by McEvers, supported by Thompson that an expense voucher the amount of \$87.00 for Mr. Golnick to attend a finance seminar at Shanty Creek be approved. Ayes: 4, Nays: 0, Absent: 1. Motion carried.

YOUR WEEK AHEAD By DAMIS

Forecast Period:

ARIES Mar. 21-Apr. 19 November 11 to November 17

Keep the checkbook balanced. Funds have a way of going fast, and you could get a big surprise.

Taurus Apr. 20-May 20 Unexpected happenings catch you unaware. But you handle things with your usual steady pace. Smother those sarcastic comments.

Gemini May 21-June 20 You are in firm control and able to make quick and reliable decisions. Put your good ideas to work for you.

Monocle June 21-July 22 Visit your friend in the hospital. You can do much toward bringing cheer and a more optimistic outlook.

Leo July 23-Aug. 22 Friends bring a great deal of enjoyment this week. Behind the scenes activity may involve a touchy business.

Virgo Aug. 23-Sept. 22 Career matters are in the fore. You get ahead by your own effort. Keep your emotions in check.

Libra Sept. 23-Oct. 22 Why not do a bit of housecleaning — straighten up your files and drawers. Check out insurance policies for proper coverage.

Scorpio Oct. 23-Nov. 21 There may be a little tension on the job this week. There seems to be a lot of talk and not too much motion.

Sagittarius Nov. 22-Dec. 21 Control that impulse to run the other person's life. Try to see things their way. Maybe a little financial assistance is the answer.

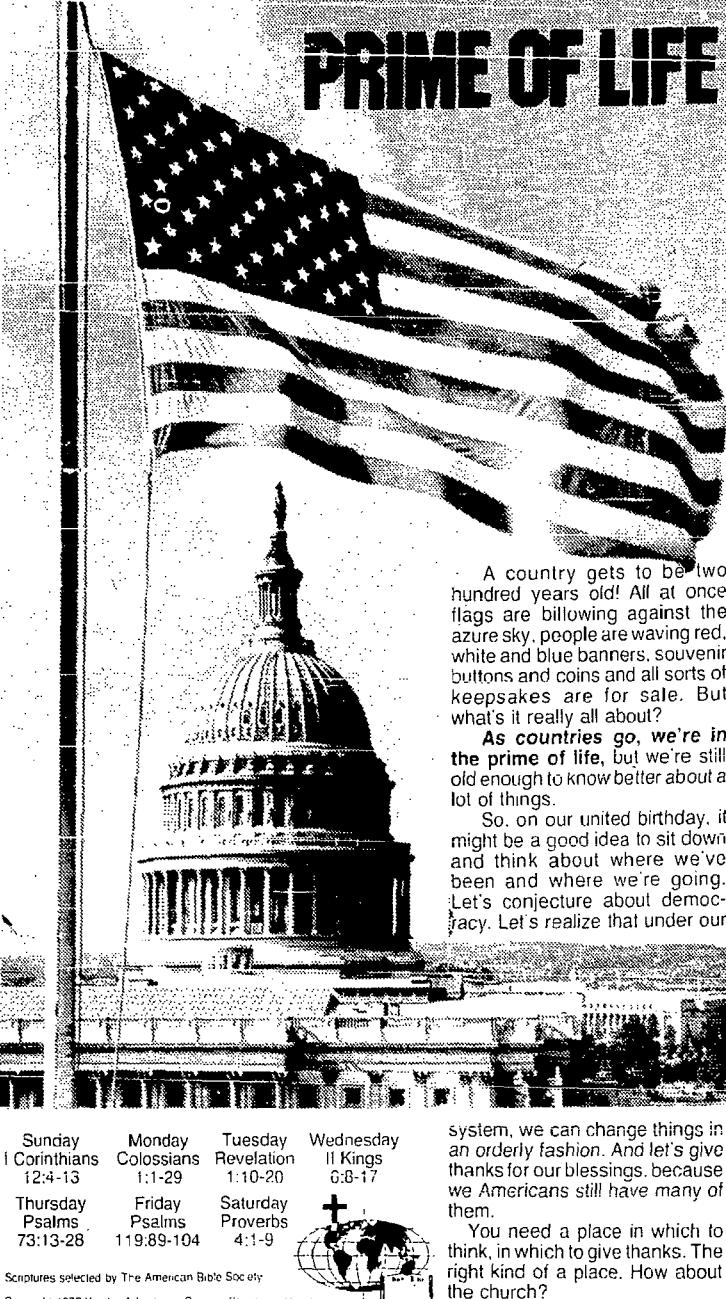

Capricorn Dec. 22-Jan. 19 You'll find a little vacation away from the humdrum is refreshing. Your mate is quite willing, and you'll both reap benefits.

Aquarius Jan. 20-Feb. 18 The sun in your career house is shining for you. Your active mind has a quick grasp of the problem, as well as the solution.

Pisces Feb. 19-Mar. 20 Romantic interludes at this time. Is it just playing the game, or are you being quite honest?

PRIME OF LIFE

A country gets to be two hundred years old! All at once flags are billowing against the azure sky, people are waving red, white and blue banners, souvenir buttons and coins and all sorts of keepsakes are for sale. But what's it really all about?

As countries go, we're in the prime of life, but we're still old enough to know better about a lot of things.

So, on our united birthday, it might be a good idea to sit down and think about where we've been and where we're going. Let's conjecture about democracy. Let's realize that under our

system, we can change things in an orderly fashion. And let's give thanks for our blessings, because we Americans still have many of them.

You need a place in which to think, in which to give thanks. The right kind of a place. How about the church?

Ronald McDonald Visits Grayling—The photo above is just a portion of the area children that visited with Ronald McDonald, T.V. star, on Saturday, October 23rd during his visit in Grayling.

The photo at the side shows Timothy James, son of Bob and Sue Sutherland, manager and part owner of Grayling's McDonald Restaurant, showing not too much concern in the arms of the T.V. star.

Bits O' Talk

by Fay Boeve

Mr. and Mrs. Larry Austin and children spent the weekend in Manistique where they went to go bear-hunting. The season closed Sunday and Larry says "no luck".

Mr. and Mrs. Tom Welsh of Saginaw spent the weekend before last in Grayling visiting their parents. They came to celebrate Lynn's birthday which fell on Sunday, Oct. 25., with a dinner at the home of her parents, Mr. and Mrs. LeRoy Akers. His parents, the Tom Welsh, Sr.'s, were also guests for dinner.

A guest of the Richard Allens for a week was their 'adopted' grandmother, Mary Kowalski, from Hamtramck. She has always lived in the city and the trip up here on the Greyhound seeing the fall colors was very exciting for her. She especially enjoyed seeing a deer, which they almost hit, as she had never seen a live deer before. She enjoyed it so much that she has promised to come back for another visit. One not so nice experience was their dog getting sprayed by a skunk while she was here.

Kevin Sloan is another of our college students. He is a sophomore at U of M.

Mr. and Mrs. Ken Cavanaugh visited relatives in Detroit over the weekend.

Vernon Caid of Lake City spent a few days with his parents, Mr. and Mrs. Russell Caid.

Junior Kahler of Tiffin, Ohio spent the weekend at his trailer.

Congratulations to the newlyweds, Mr. and Mrs. Larry Smith, who were married at Bethlehem Lutheran Church in Lewiston on Saturday, October 30.

The Sunday School Halloween party was well attended and a good time was had by all. Many thanks to all who gave to UNICEF.

November is Book Month.

Come and browse at your Lovells Library. We may be able to help you with your special interests. The book "The Final Days" by Woodward & Bernstein is available. If you have not read the Bicentennial books, we have a complete set. We have some new books for children on loan from the Crawford County Library.

SURPRISE PARTY

In this busy world, it's wonderful that some people still have the art of taking time for others, of giving from the heart. Sunday, October 24th, some 50 members of the Feldhauser family gathered at the home of Mr. and Mrs. Norman Feldhauser for a surprise party to honor Bess and Dora Feldhauser, in appreciation for the many acts of charity, compassion, generosity, and kindness, to all their relatives throughout the years. A potluck dinner was served and Bess and Dora received many cards and gifts.

County Board of Commissioners

Meeting of the Crawford County Board of Commissioners continued and held in the Court House in the City of Grayling on the 18th day of October 1976.

Meeting was called to order by Chairman Kauffman.

Invocation by Chairman Kauffman.

Present: Kenneth Carlisle, Rolla Failing, Fred Kauffman, Joseph LaGrow, Edward Lowrie, Dean L. Welch. Absent: Patrick Harwood. Also Present: Mary Harland and George Rybicki.

Larry Hunter, Equalization Director, met with the Board. He informed the Board that Grayling Township had requested the service of the two appraisers in the Equalization Department.

MOTION by Lowrie, second by Carlisle, to allow two people from the Equalization Department to work for Grayling Township for appraising of property, for one week. Roll Call: Lowrie, Carlisle, Failing, Kauffman, LaGrow—All Aye. Welch—Absent Temporarily. Carried.

There was some discussion on partitions between the desks of the office secretaries. The Crawford County Building Authority will provide \$300.00 for this project. Drawings and plans will be presented to the Board for their approval.

Douglas J. Read, Attorney at Law, advised the Board that his firm will be representing the Board of Commissioners covering certain portions of the complaint filed by members of Local 1903 UAW.

MENTAL HEALTH COMMITTEE REPORT by Lowrie. He reported on a State Association meeting. The Department of Mental Health is in the process of evaluating every community health board and contracting services. There was a public hearing on programs and budgets, held in the Houghton Lake area.

WATERSHED COMMITTEE REPORT by Carlisle. He reported on election of officers. Willard Bosselman was elected Chairman. Mr. Kauffman informed the Board of a letter from the DNR regarding Wakeley Bridge. They will not fix the road.

PLANNING COMMISSION REPORT by Lowrie. The OEDP report, completed, and adopted by this Board, will be presented at the December meeting. The report was finished on time and submitted to the State and to the Regional Office. Mr. Lowrie praised the work of all the Planning Committees. More expert assistance in planning processes may be needed soon.

DEPARTMENT OF PUBLIC WORKS REPORT by Failing. Revenues for August were \$4600.00 and for September were \$3500.00, which averages out to \$1000.00 revenue for each month. Contract to lay mounds was given. Meetings will not be held monthly as there is no need, but they will be held every two months, in even months.

Road Commissioner Harold Johnson notified the Board that his term will be up this year, and he would like to be reappointed.

PERSONNEL COMMITTEE REPORT by Lowrie. He reported on the monthly meetings for the personnel to meet with the Committee, which seem to improve labor relations. There was discussion with employees on longevity pay, an area to be brought into negotiations.

UNION BARGAINING REPORT by Welch. He has asked both unions to submit lists of their demands, so that negotiations can begin. He will set up meetings with legal counsel and meetings with Union representatives. A 3-year contract is favored, rather than 1-year.

Mr. Kauffman, President of 2nd Region of MAC, reported that election of officers will be on December 2nd. Both the President and Secretary-Treasurer have been from Crawford County. Dean Welch is Secretary-Treasurer.

AIRPORT COMMITTEE REPORT by Lowrie. The Army Corps of Engineers seems to favor a contract with Kirtland, subject to their receiving more complete material on the present operations. Latest communication with the Corps opened up the possibility of transferring the lease to Kirtland.

Mr. Welch reported on Northeast Regional matters. Mr. Eskari from the Northeast Law Enforcement was here, and Rolla Failing was put on the Law Enforcement Committee.

Recess for lunch.

The Board as a whole worked on the 1977 budget until 3:00 p.m.

Mr. Kubishe, Walter Patchak and Gene Ostling, Michigan Metro Association, met with the Board in regard to Architectural Services in connection with a proposed Social Services Building.

MOTION by Welch, second by Lowrie, to obtain the services of Walter M. Patchak, Architect, and to pay his fee of \$1,500.00 for application for a grant, 100% funded for a Human Resource Building. No vote taken.

MOTION by Welch, second by Lowrie, that the motion to obtain services of Walter M. Patchak, Michigan Metro Association Architects, be withdrawn. Roll Call: All Aye. Carried.

MOTION by Lowrie, second by Failing, to take the necessary steps to make application for funding of a Human Services building under the Public Works Act of 1976. Roll Call: Lowrie, Failing, Carlisle, Kauffman, LaGrow, Welch—All Aye. Carried.

MOTION by Failing, second by LaGrow, to contact other architectural firms to see about making plans for a Human Services building and grant application. Roll Call: All Aye. Carried.

Chairman Kauffman appointed George Rybicki to the Crawford County Zoning Board replacing Richard Schaeffer.

Chairman Kauffman appointed a committee of Kenneth Carlisle, Ed Lowrie, Rolla Failing and Jan Cornell to look into engineering firms for plans for a Human Resource Building.

Commissioner Lowrie explained the budget. After questions and answers, it was recommended by the Finance Committee to present this budget at the public hearing of the budget on October 29, 1976.

Chairman Kauffman and Roy Papenfus, Building Inspector, reported that they had attended a meeting of the Board of Commissioners at Mio on October 12th. They informed the board that Oscoda County has terminated the service of their Plumbing Inspector, but James Michaels will be retained by Oscoda County.

LAW ENFORCEMENT COMMITTEE REPORT by Welch. Miles driven by the Sheriff's Department Patrol during September were 24,948... Accounts Payable for the Ambulance which are over 30 days will be turned over to the Prosecuting Attorney for collection... The Youth Officer answered 52 complaints... Sixteen bodies of water were patrolled by the Marine Department.

Commissioner LaGrow reported on the Animal Control Department. He recommends that the Animal Control Officer be put to work and that the dog pound be reopened, further that a County Ordinance and working policy be adopted for the Animal Control Officer.

MOTION by LaGrow, second by Lowrie, to reopen the dog pound and reinstate Joe Durga as Animal Control Officer. Commissioner LaGrow is to provide the Board with a set policy and procedures pertaining to the Animal Control Department, and the Animal Control Officer is to remain under the control of the Board of Commissioners, effective immediately. Roll Call: LaGrow, Lowrie, Failing, Kauffman — All Aye. Welch — No. Carlisle — Absent temporarily. Carried.

Commissioner Failing recommended that the Animal Control truck be used for county business only.

MOTION by LaGrow, second by Failing, to pay the back wages to Joe Durga, under Veterans Act MCLA 35.402. Roll Call: LaGrow, Failing, Kauffman, Lowrie, Welch—All Aye. Carlisle—Absent Temporarily. Carried.

Commissioner Welch reported that the Crawford County Drug Lab is now serving as many as 77 organizations, including different counties, and that there will be a letter sent out to all County Commissioners and other organizations requesting the sum of \$2,000.00 to \$3,000.00 to help offset the operational cost of the Drug Lab.

Chairman recessed the meeting until October 29, 1976 at 7:00 p.m.

The October meeting of the American Business Women's Association was called to order by President Kathy Parkinson on October 19 at the Grayling House. The invocation was given by Sandy Fleming.

Our guests for the evening, Barbara Marlow, Dorothy Stockbridge and Edith Adams joined in the birthday celebration of Sally Wert and Jeanne Fijolek.

Program Chairman, Elaine Harland introduced Marilyn Longworth, who gave a very interesting and informative talk on Tax Deductions and the Business Woman.

Mary Kelly, co-owner of the Scrub Board Laundromat was our Vocational Speaker. Mary has an interesting background in nursing which she started in Fargo, North Dakota. She's also the mother of seven children.

Marie Akers team was presented a gift as winners of our attendance contest.

As the business meeting continued, we discussed giving charms to the out-going officers.

The main subject of discussion was our Annual Fall Fashion Show, November 11, 7:30 at Auman's House

The Story of the Revolutionary War in the Old Northwest

By Gordon G. Bold

The westernmost action of the American Revolution was a raid by rebel forces under Col. John Montgomery against the Indian village of Sauk-E-Nuk at what is now Rock Island, Ill.

The operation, a mop-up ordered by George Rogers Clark to punish Indians who had participated in the British-inspired assault on Spanish and American-controlled settlements along the Mississippi in the spring of 1780, reached a climax in July of that year when Montgomery's men burned the village of the Sauks and Foxes on Rock River.

After successfully defending Cahokia in May, Montgomery hoped he would be able to obtain a leave of absence to visit his family. However, he was ordered instead to lead the expedition in pursuit of the retreating Indians. His little army was comprised of

some American troops, two companies of Spanish from St. Louis and two of Frenchmen from the Illinois settlements. Clark himself departed for Kentucky to help fend off an assault by British and Indians who were headed toward settlements there.

Clark left on his eastward venture on June 4 and Montgomery, according to his report - "immediately proceeded to the business I was ordered and marched three hundred and fifty men to the Lake (present-day Peoria, Ill.) open on the Illinois River, and from thence to the Rock River, destroying the towns and crops proposed, the Enemy not daring to fight me as they had so lately been disbanded and they could not raise a sufficient force."

Thus, the Sauks and Foxes were the only tribes punished by the rebels for participation in the attacks on St. Louis and Cahokia. And their effort wasn't appreciated by the British either. In his report on the raid on the Mississippi settlements, Lt. Gov. Patrick Sinclair of Michilimackinac contended that the Winnebagos and Sioux "would have stormed the Spanish lines, if the Sacs and Outagamies (Foxes) under their treacherous leader Monsr. Calve, had not fallen back so early, as to give them but too well grounded suspicion that they were between 2 fires."

Another expedition also headed toward the Mississippi in June, this one moving southward from Michilimackinac and under command of Capt. John McNamara. Its purpose was to secure the large quantity of furs accumulated by British traders at Prairie du Chien, lest they fall into the hands of American raiding parties like the one that Montgomery led to the Rock River.

John Long, who was asked by Lt. Gov. Sinclair to participate in the venture as adjutant and lieutenant, later wrote of the trip in his "Voyages and Travels of an Indian Interpreter and Trader" (London, 1791). "We left the post," he said, "with 36 Southern Indians of the Ottigamies (Fox) and Sioux nations, and 20 Canadians, in nine large birch canoes, laden with Indian presents."

Long became ill on the third day after leaving Michilimackinac but continued on the journey. After the fourth day, the party camped at Green Bay and then continued toward its destination on the Wisconsin River. During a portage one of the Indians suffered a bite by a rattlesnake. He treated himself, Long reported, "by cutting out the wounded part from the calf of his leg, and applying salt and gunpowder, and binding it up with the leaves of the red willow tree."

After seven days of travel the group arrived at Prairie du Chien where, Long said, "we found the merchants' peltry in packs in a long-house guarded by Captain Langlad (Charles Langlade) and some Indians. We took about three hundred packs of the best skins, and filled the canoes. Sixty more which remained, we burnt, to prevent the enemy from taking them, having ourselves no room to stow any more."

Soon after returning from the 80-day mission, Long went to Sinclair to ask for pay for his services but was told that he should seek it from the traders. He got none from them either.

Bride To Be

Mr. and Mrs. Robert Christman of 113 Roberts Rd., Grayling would like to announce the coming marriage of their daughter, Robin Renee, to James Eric Chambers, son of Mr. and Mrs. Junior Chambers of 10876 N. Wheeler Rd., Roscommon. The wedding is to be held November 13, 1976 at the home of the groom's parents. Eric has been notified that he is to begin work for Sun Oil Co. on November 1st and will be located in Columbus, Michigan, near Detroit.

Chamber

[Continued from page 1]

Chamber Director, Dorothy Stockbridge, welcomed all that were in attendance. The new board president, Gloria Kraus, was introduced who in turn reflected on her arrival in Grayling when she first came here as Bill Kraus' bride, and on the growth in the community since then. President Kraus then introduced Mrs. Walter Truettner, the first woman President of the Chamber and longtime member.

Award plaques were given to outgoing Board members. Janet Olson and Duane Sloan for their outstanding service and an engraved pewter tankard was given to Past President, Paul Thomson for his two terms in that office. A special "Grayling General" award was given to Mr. Thomson by Jack Alef of the Grayling State Bank.

Incoming Board Members are, Major "Mike" McNamara, Bob Cole and John Naour. Regrettably, Joe Wakely had to resign his new post as Secretary-Treasurer because of the press of other matters.

Mr. Gerald Dunn, U. of M. regent, addressed the gathering and gave a very interesting account of how the U. of M. services reaches all communities in the state and how it functions.

The pros and cons of the passage of Proposal "C" was discussed with its impact on school millage and funding.

Teri's International Dancers gave a sparkling revue which opened with a gypsy rondo with tambourines and whirling skirts, followed by numbers from Germany, Poland, Greece, a belly dance by Terry Hildebride of Lansing, a 1920's Charleston and closed with a burlesque spoof. Special thanks is given to Lansing Community College and Bill Gottlieb for their help in making the show a success.

The audience applauded wildly and there was a bright moment when some of Grayling's lightfooted males joined the girls in doing the Polka. The Bobby Roberts Trio then provided excellent music for social dancing.

Winners of the wheelbarrow full of "Cheer" was Norm Parker. Winners of the two baskets of fine wines were, Mrs. Richard Burr, better known as "Gis", and Mrs. Ethel Mae Parkinson.

Appreciated

The class of Contemporary Family Life of Grayling High School would like to thank the following businesses and people for the donations they made for the "mock marriage ceremony" which took place on October 26th at the Michelson Memorial Church: Rev. George Spencer, Mrs. Nancy Hoffman, Auman's House of Catering, Bill's Laundry, Bob Hartwick, The Back Porch & Flowers By Josie, Glen's Market, Davis Jewelry, Mrs. Mary Goss, Mike Branch, Mrs. Jaymie Seidel and Gary Barrows.

We would also like to thank all the business people who took time to answer questions and give information to students while they were researching projects in the community.
